

Money in Words: Writing Money Amounts

Grade 2

Name: _____

Write the money amount using numbers.

Remember: Use \$ sign, decimal point, and always write cents as two digits (like \$4.05, not \$4.5).

(1) Seven dollars thirty-four cents

(2) Nine dollars twelve cents

(3) Eighty-eight cents

(4) Two dollars six cents

(5) Five dollars forty-one cents

(6) One dollar ninety-three cents

(7) Sixty-seven cents

(8) Three dollars two cents

(9) Ten dollars fifty-six cents

(10) Four dollars eighty-nine cents
