

Find Missing Decimal in Addition

Grade 5

Name: _____

Find the missing number.

Subtract the known number from the total.

Example:

$$\begin{array}{r} + \quad 1 . 3 5 \\ \hline 3 . 7 0 \\ \hline \end{array}$$

→ **Missing number: 2.35**

The total is 3.70. Subtract the known part: $3.70 - 1.35 = 2.35$
