## The Spilled Milk Mess

Leo was super excited for breakfast. He loved his cereal with lots of milk. He carefully poured a big glass, but his hands were a little shaky from excitement. Splish, splash! The milk spilled all over the kitchen counter and dripped onto the floor. "Oh no!" he whispered, looking at the growing puddle.

Because the floor was wet, when Leo tried to quickly grab a towel, his foot slipped right in the milky puddle. He wobbled and fell with a soft thud, dropping his perfectly buttered toast right onto the wet floor. Now he had no toast, a bruised knee, and a very messy kitchen! He sighed and grabbed a towel to clean up his oopsie.
