

Forming Contractions

Grade 2

Name: _____

Rewrite each pair of words as a contraction. The apostrophe replaces the missing letter or letters.

An **apostrophe** (') takes the place of the letter(s) removed when two words are joined into one.

Example: do + not → **don't** (the apostrophe replaces o)

(1)  is not

(2)  are not

(3)  can not

(4)  she is

(5)  he is

(6)  they are

(7)  we have

(8)  it will

(9)  I am

(10)  you are
