

# Sensory Adjectives

Grade 2

Name: \_\_\_\_\_

Find the sensory adjective. Write the adjective AND the sense it describes.

The five senses are: 👁️ sight · 👂 sound · 🍷 taste · 👃 smell · ✋ touch

A sensory adjective describes what something looks, sounds, tastes, smells, or feels like.

Example: 🌹 The flower smells **sweet**. → adjective: **sweet** · sense: **smell**

(1) ✨ The **sparkling** stars twinkled in the night sky.

---

(2) 🌬️ The **whispering** wind made a soft sound through the leaves.

---

(3) 🍪 My grandma bakes really **sweet** cookies every Sunday morning.

---

(4) 🐱 The cat's fur felt so **smooth** and soft when I gently petted it.

---

(5) 🌸 The **fragrant** flowers bloomed brightly in the sunny garden.

---

(6) 🌳 He saw a **giant** tree that reached high up into the blue sky.

---

(7) 🚗 The **noisy** car drove quickly past our house on the street.

---

(8) 🌶️ The **spicy** salsa made my tongue tingle with a little heat.

---

(9) 🌲 The **rough** bark of the old tree felt bumpy under my fingers.

---

(10) 🗑️ The **stinky** garbage needed to be taken out to the curb right away.

---
