## Lily's Safari Surprise

Lily visited the Sunny Safari Park with her family. The sun was warm, and many animals roamed freely. She hoped to see a giraffe, her favorite animal.

Suddenly, her mom pointed. "Look, Lily!" A tall mother giraffe stood near a small, wobbly baby. The baby giraffe was trying to stand up for the very first time. Its long legs shook a little.

Lily watched closely. The baby pushed and pushed. It finally stood on all four legs! Did you know that baby giraffes can stand up and walk within an hour of being born? Lily felt so happy and amazed. The mother giraffe gently nudged her baby, and they both munched on green leaves.
