Whiskers' Clever Find

Leo loved his cat, Whiskers. Whiskers was a fluffy, grey cat with bright green eyes. She loved to nap in sunny spots and purr softly when Leo stroked her fur. Whiskers was usually very calm and quiet.

One afternoon, Leo was working on a special drawing for his grandma. He needed his favorite blue crayon, but it was nowhere to be found! Leo looked under his bed, in his toy box, and behind his curtains. He felt frustrated.

Whiskers watched him from her spot on the windowsill. She stretched, then jumped down. Slowly, she walked to Leo's desk and started batting gently at a pile of papers. Leo thought she wanted to play, but Whiskers kept nudging the papers.

Leo carefully moved the papers. And there it was! His bright blue crayon had rolled underneath the stack. "Whiskers, you found it!" Leo exclaimed, giving her a big hug. Whiskers purred loudly, pleased with herself.

From that day on, Leo knew Whiskers wasn't just a napping cat. She was a clever helper! Their bond felt even stronger, built on quiet understanding. He always gave her extra cuddles and treats.
