

Relative Adverbs in Context

Grade 3

Name: _____

Fill in each blank with the correct relative adverb: where, when, or why.

The relative adverb connects a noun in the main clause to the clause that describes it. Identify the noun — then decide if it's a **place** (where), **time** (when), or **reason** (why).

Example: That is the school _____ I learned to read. → **where** (school is a place)

- (1) 🐡 Last summer, our family visited a big animal farm _____ many different creatures lived.
- (2) 🐡 I remember the special morning _____ we helped feed the baby lambs.
- (3) 🐡 My little sister asked _____ the farmer started his work so early every day.
- (4) 🐡 The large red barn was the spot _____ the horses rested after a long day.
- (5) 🐡 There was a moment _____ a tiny chick hatched from its egg right before our eyes.
- (6) 🐡 We learned _____ it was important to keep the animals' pens very clean.
- (7) 🐡 The wide, green fields were _____ the cows grazed peacefully.
