

Adverbs in Action: Passage Hunt

Grade 4

Name: _____

Read the passage. Underline every adverb you find. Then answer the questions below.

Look for words that describe **how**, **when**, **where**, or **how often** an action happens.

Remember: not all adverbs end in -ly!

Example: "The hawk silently circled above." → silently = how · above = where

(1) Passage: "The old clock ticked quite loudly in the quiet room. Outside, rain fell steadily, making the ground very wet. A small mouse often scurried quickly across the floor, searching hard for crumbs."

Q1: How many adverbs did you find in the passage?

(2) Q2: List 3 adverbs from the passage and write which category each belongs to (How / When / Where / How Often / To What Degree).

(3) Q3: Find an adverb in the passage that tells HOW OFTEN something happened.

(4) Q4: Find all non-ly adverbs in the passage. List each one and its category.

(5) Q5: Which adverb in the passage modifies an adjective instead of a verb? Write the adverb and the adjective it describes.

(6) Q6: How many adverbs in the passage tell HOW something was done? List them.
