

Question Tags

Grade 5

Name: _____

Rewrite each sentence. Add the correct question tag and all missing punctuation.

A **question tag** flips the main verb + pronoun and adds a question mark: positive statement → negative tag, negative statement → positive tag.

Example: It's cold today → **It's cold today, isn't it?**

(1) The Earth is round → add the question tag 🌍

(2) Dolphins can communicate with each other → add the question tag 🐬

(3) The Amazon River isn't the longest river in the world → add the question tag 🌊

(4) Polar bears are excellent swimmers → add the question tag 🐻

(5) The moon isn't made of cheese → add the question tag 🧀

(6) Humans can't breathe underwater without help → add the question tag 🧑‍🚀

(7) Mount Everest is the highest mountain → add the question tag 🏔️

(8) Stars aren't visible during the day → add the question tag ✨

(9) A square has four equal sides → add the question tag ◻

(10) The Pacific Ocean isn't the smallest ocean → add the question tag 🌊
