

Relative Adverbs in Context

Grade 5

Name: _____

Fill in each blank with the correct relative adverb: where, when, or why.

The relative adverb connects a noun in the main clause to the clause that describes it. Identify the noun — then decide if it's a **place** (where), **time** (when), or **reason** (why).

Example: That is the school _____ I learned to read. → **where** (school is a place)
