

## Upgrade It: Add an Adverb Phrase

Grade 5

Name: \_\_\_\_\_

Rewrite each sentence by adding an adverb phrase. The phrase should tell how, when, or where the action happened.

An **adverb phrase** is a group of words that works like a single adverb.

"She spoke" → "She spoke **with quiet confidence.**" (how)

"He arrived" → "He arrived **just before sunset.**" (when)

**Example:** 🎸 The band played. → The band played **with incredible energy until midnight.**

(1) The dog barked. 🐕
